As our students go into a time of rest from their diligent school work, our summer is going to start off with a time of activity and enjoying life together. Our Wednesday night gatherings are coming back. Sunday nights for our students will still remain the same, which is a time for our students to get some of the most powerful words of knowledge and wisdom from the greatest person who ever walked this earth; Jesus, of course.

On Sunday nights our youth has time to gather together to worship God freely as they choose and also have some fun with each other as we build relationships.

Starting on the 13th of June, our youth will be hanging out on Wednesday nights as a way to get to know each other a little better, but to also be the church of Christ as we build relationships with one another and accept others to our group along the way.

Coming up very fast is our annual summer camp for middle school and high school students. Park Springs is hosting an incredible camp and you can sign your students up now on the website for Park Springs Christian Camp. There are different dates for middle school students and high school students, so please make sure that you are signing your students up for the appropriate week for their age group.

Some things that are up and coming, there was mention of the kickoff of our youth Wednesday nights. On the 13th of June, our very own John Nappo is hosting a cookout/pool party for all middle school and high school students. Also, within the month of July we have our Carowinds trip and our amazing race extravaganza. And to finish our summer off, we are having a beach trip for our students. If there are any questions about these events please contact Jacob Baskaron.

June Missions News

The **Mission Team will meet on Sunday June 10th** @ 2:30 PM to plan and pray.

In June we have opportunities to “Connect people to Jesus and each other”. **On June 24th the Missions team will host a Spaghetti lunch**

after church for our members and guests to learn

about the trip to Haiti. We’ll challenge folks to pray about the team and the work for the upcoming trip September 18-26th. *Paul made it clear that his success was dependent on the intercessory prayers of the churches.*(Eph. 6:18-20; Col. 6:2-4; 2 Thes. 3:1-3). There will also be an opportunity if you feel led to give in love toward the trip and to consider getting a T-shirt to raise awareness of the mission and be a part of the trip even if you can’t physically go yourself. We praise God with Pastor Jean Kenel Many and his wife for their son Jean Kenel Calvin Wolf born on May 12th.

IDES Feeding event on Saturday July 14th. We will need to send our offering to IDES (International Disaster Emergency Services) by the end of June. Currently through May we’ve raised \$4350 of the \$6250 needed to reach the 25,000 meal minimum. Please prayerfully consider if you can help with this ministry project and plan to invite friends to help pack emergency high protein meals for disaster areas to give

Central India Christian Mission praises God for the 179 Graduates of Central India Bible Academy who have given their lives for the sake of Jesus Christ. “God is handpicking these men and women to reach thousands and thousands” Josh Howard, Director of Leadership Training.

Campus Christian Fellowship asks us to pray for their staff and students who will serve on mission trips to the Dominican Republic and in Mexico. They also continue their plan to impact 10 campuses by year 2020.

Worship Notes

By David Florence

Worship is our response

“Worship is our response to the truth we know about God. The more we know Him, the deeper and more intimate our worship of Him can become. That is only because of the depths of His love for us.”

May God bless you and keep you and make His Face shine upon you.
